

Vermont State Brochure Assignment

All about Vermont: The Green Mountain State

Goal: To complete your very own version of a state brochure. This brochure will utilize your creativity and technology.

Brochures will include the following:

1. A title
2. Your name (first and last)
3. 4-6 photos/pictures imported from the digital camera or internet. Each must be relevant to the written information on that page
4. 20-25 facts from your State Research Packet
5. A paragraph, in your own words, about an historic event that has happened in Vermont's past that must include the date of the event, why it was significant, and how it affected the state
6. Information on one of Vermont's 14 counties
7. A paragraph, in your own words, containing geographical information or information about one of our field trips

We will conference throughout the next few weeks in order to help you develop an **interesting** and **high quality** state brochure.
